Statement.

Statement to be made from a number of options.

Statement works as a form of claiming stories, pictures, postures, all of which are subject to description.

Statement defines a space for a public performance, the giving of an account, a formal gesture. Statement claims a space for declaration, exploring what can be said, shown, posed, gestured, and in what way.

Statement:

Arena (JT LeRoy Reading) by Babak Ghazi and Man, Woman, Fish. (Paradise). by Francis Summers.

Both artists live and work in London.
